Engineer Technician Training Program at CLC

This program is a “boot camp” experience that provides a basic understanding of the Engineer Technician field

The Engineer Technician Training Program is a 16-week class that is provided at **no cost** to those who qualify. Participants selected must be available from 8 a.m. to 5 p.m., Monday through Friday, April 23 to August 17, 2012.

This program will help prepare you to enter a rewarding career as an Engineer Technician. Engineer Technicians perform tasks of a technical nature in connection with the investigation planning, design and construction of engineering projects. A passing college placement test will be required as part of the admission process. Algebra and geometry proficiency math skills are a plus! Training provided by the College of Lake County Engineering Mathematics and Physical Sciences Division.

Acceptance includes enrollment in CLC credit courses. A weekly stipend may be earned. Successful completion will result in a college-level certificate.

Qualifications:

- Minimum age: 18
- High School diploma or GED
- Valid Driver's License
- Meet course prerequisites
- Submit to a background check

CLC courses include:

- MTH 117 Technical Mathematics I
- CIV 111 Basic Surveying
- CIV 113 Construction Inspection & Safety
- CIV 214 Civil Materials and Testing
- EGR 121 Engineering Graphics

Information Session Dates:

- **Wednesday, March 21 from 11 a.m. to 12 p.m. in room 1NG 008**
CLC Lakeshore Campus, 111 North Genesee Street, Waukegan
 - **Wednesday March 21 from 6:30-7:30 p.m. in room A162**
CLC Grayslake Campus, 19351 West Washington Street, Grayslake

Application Deadline: March 30, 2012

Space is limited. Apply now!
